Waiting Period – Enrollees who are eligible for Benefits are covered as defined by US Radiology Specialists.

Eligible People – All regular full-time or part-time employees working 24 or more hours per week who choose the High dental plan and COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) enrollees, if applicable. The Subscriber pays the full cost of this plan.

Also eligible are your Spouse and your Children to the end of the month in which they turn 26, including your Children who are married, who no longer live with you, who are not your Dependents for Federal income tax purposes, and/or who are not permanently disabled.

Enrollees and Dependents choosing either dental plan are required to remain enrolled for a period of 12 months. Should an Enrollee or a Dependent choose to drop dental coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed. Dependents may enroll only if the Enrollee is enrolled (except under COBRA) and must be enrolled in the same plan as the Enrollee. An election may be revoked or changed at any time if the change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

Coordination of Benefits – If you and your Spouse are both eligible to enroll in This Plan as Enrollees, you may be enrolled together on one application or separately on individual applications, but not both. Your Dependent Children may only be enrolled on one application. Delta Dental will not coordinate Benefits between your coverage and your Spouse's coverage if you and your Spouse are both covered as Enrollees under This Plan.

Benefits will cease at the end of the month in which the employee is terminated.
