

Notice of Conversion and/or Portability Rights

Important Notice regarding your coverage: You are receiving this notice as a result of experiencing a loss of coverage associated with The Hartford's Group policy provided by your employer. You have options to continue to be insured, which are explained below. The specific options available to you are based on the provisions as defined in the group policy. If you intend to apply for a policy, it is important that you submit a request for quote as soon as possible.

Life Conversion

The Life Conversion option provides the opportunity for you to obtain an individual life insurance policy that accumulates cash value and is offered at individual insurance rates. There are no mandatory age reductions and coverage can continue with premium payment until the Scheduled Maturity Date (standardly age 121) at which time the cash surrender value is paid to the insured. You will be eligible for Life Conversion if you experience a loss of coverage as the result of a change in your employment status, change in marital status, you or a dependent has experienced an age reduction or maximum age limit, you have retired or you have reached the end of an employer sponsored continuation provision. If coverage is ending because The Hartford Group Life policy is terminating or coverage for a class of employees is terminating, some restrictions may apply. If coverage is ending for any other reason, you can generally convert up to the full amount of your terminating coverage. Conversion is also available to your dependents if they had coverage under the group policy. You may have the option to obtain a one year term policy prior to the permanent life policy becoming effective. Please refer to The Hartford Group Life policy for information. **Premiums for a Life Conversion policy are substantially higher than the employer group policy rates.**

Life Portability

Under the Portability option you may obtain a group life insurance policy to continue 50%, 75% or 100% of the amount of life insurance coverage (Basic, Supplemental, or both), you had under the Group policy up to a maximum amount, generally \$250,000 depending upon the provisions of the employer's group policy. The Portability policy provides group term coverage and is available to you provided you have not yet reached your Social Security full retirement age. The Portability option may also be available to your dependents if you carried dependent coverage under the employer's group policy and if the group policy includes portability as an option for dependents. The amount of coverage you elect to port is reduced by 75% at age 65 and coverage terminates at age 75. You will be eligible for Life Portability if you experience a loss of coverage as the result of a change in your employment status, change in marital status, you or a dependent has experienced an age reduction or maximum age limit, you have retired or you have reached the end of an employer sponsored continuation provision. **Note:** Portability is not available if your employer is terminating the group policy. If you choose to elect the Waiver of Premium provision as outlined in your Contract you are not eligible for Portability. The same applies if you choose to elect Portability, Waiver of Premium would not be available. Additional restrictions may also apply. **Premiums for a Life Portability policy may be higher than the employer group policy rates and rates increase every five years (years in which your age on your birthday ends in 5 or 0, for example 45 or 50).**

Long Term Disability (LTD) Conversion (Not Available to Residents of New York)

You may be eligible to convert coverage you had in effect under the employer's Group Long Term Disability (LTD) policy to a Group Disability Conversion policy provided the group coverage was in effect for at least one year. You cannot be disabled from performing the duties of your occupation at the time your LTD coverage terminates under the group policy or disabled at the time of your request and you cannot convert LTD coverage if you are retiring, regardless of your age. A loss of coverage is the result of a change in your employment status or the end of an employer sponsored continuation provision. **LTD conversion is not available for dependents.** The benefit amount payable under the LTD conversion will be based on your monthly earnings at the time the group policy ended and the benefit percentage elected up to 60% of your earnings at time of termination of employment under the employer's group policy, to a monthly maximum of \$5,000. This amount is based on the rules of the LTD group policy subject to offsets for other income benefits. A 6-month elimination period applies. LTD conversion is not available if the group policy is terminating. **A onetime administrative enrollment fee of \$25.00 will apply and is added to your first quarterly premium. Premiums for a Group Disability Conversion policy are higher than the employer group policy rates and increase every 5 years (years in which your age on your birthday ends in 5 or 0).**

Frequently Asked Questions

Q: What are some examples of a “loss of coverage”?

A: Some examples of a loss of coverage may include an event such as a loss of your employment; the end of continuation coverage; membership in an eligible class ends; coverage is decreased through an age reduction; etc. See your group policy for specific details.

Q: If I request a quote, how does The Hartford determine the amount of coverage to quote?

A: The quote is based on the amount of coverage you had under the group policy as well as any applicable policy provisions. The amount quoted is not a guarantee for your new coverage until The Hartford performs an eligibility review, validation of all information received, and medical underwriting, where applicable.

Q: What is my policy effective date?

A: When the application is approved and premium payment has been received, the effective date will be the day after your group benefits loss begins so that no gap in coverage would be experienced by you or your family.

Q: Can I be denied coverage?

A: Your request for coverage can be denied if you do not meet the timeline requirement as outlined above the signature line.

Q: If I start to work for a new employer and obtain coverage under that employer’s group policy, will that group coverage impact any policy that I may purchase now?

A: If you obtain coverage under a new employer’s group policy, your purchased policy(s) will remain in effect provided you continue to pay the required premiums.
